

Seren L

Mathematics Tutor

“ We have been fortunate to have Seren tutor our boy for 3 years, from GCSE to A-level. The transformation in confidence, understanding and academic performance has been exceptional. We could not recommend her enough.”

- Rachel, Parent

About me

With a Distinction in my Mathematics PGCE from the University of Oxford and over four years of experience teaching KS3, GCSE, A-level, and Further Mathematics, as well as preparing students for successful Oxbridge admissions, I am a highly qualified and experienced tutor. I bring a deep passion for mathematics and a commitment to delivering exceptional, personalised teaching.
