

# Harry D

Latin and French Tutor

**Taking Harry's classes on the Aeneid and the Iliad was one of the most enriching experiences I've had in a long time... His deep knowledge of Latin and Greek, the historical and political backdrop of the epics, and the geography and belief systems of the time all added incredible depth to the readings. - Eryk, Warsaw, Poland"**

## About me

Hello, I'm Harry. I am a passionate Latin and French tutor based in Paris. I have degrees from both Oxford and Cambridge as well as lots of experience in professional teaching roles. I also have an Instagram account with over 65,000 followers. On here, I speak about Latin, Classics, and literature, and I run successful group classes.

---
